Fell's Super Power Memory

Synopsis

There is no such thing as a poor memory; only a trained or untrained one. Harry Lorayne proves it by showing that anyone can accomplish amazing memory feats with speed and ease. With his link method of memory, you will be able to remember prices, phone numbers, facts, events, school work anything of interest to you including the power to recall faces and names a year later, memorize a speech from a script in minutes, and more.

Customer Reviews

This book gives your memory a boost: remembering numbers, faces, list of items. My first test: I can write down pi from memory up to 40 digits, and that's only the beginning!
