# You Are All Free: The Haitian Revolution And The Abolition Of Slavery

## Synopsis

The abolitions of slavery in the French Caribbean colony of Saint-Domingue in 1793 and in revolutionary France in 1794 were the first dramatic blows against an institution that had shaped the Atlantic world for three centuries and affected the lives of millions of people. Based on extensive archival research, *You Are All Free* provides the first complete account of the dramatic events that led to these epochal decrees, and also to the destruction of Cap Francais, the richest city in the French Caribbean, and to the first refugee crisis in the United States. Taking issue with earlier accounts that claim that Saint-Domingue's slaves freed themselves, or that French revolutionaries abolished slavery as part of a general campaign for universal human rights, the book shows that abolition was the result of complex and often paradoxical political struggles on both sides of the Atlantic that have frequently been misunderstood by earlier scholars.

## Book Information

Paperback: 436 pages

Publisher: Cambridge University Press; Reissue edition (August 30, 2010)

Language: English

ISBN-10: 0521731941

ISBN-13: 978-0521731942

Product Dimensions: 6 x 0.9 x 9 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (3 customer reviews)

## Customer Reviews

"This is an impeccably researched and narrated history of the Saint-Domingue Revolution, which pivots on the destruction of the city of Cap Fran ois on the jour e of June 20, 1793. It compellingly takes issue with a number of leading historiographical perspectives and for that reason alone deserves attention." - Seymour Drescher, University of Pittsburgh

"The events of 1793 were a watershed moment in the history of slavery and democracy. Popkin's deeply researched and fascinating account of this transformative moment is a major contribution to the existing literature on the history of the Haitian Revolution and on emancipation in the Atlantic world." - Laurent M. Dubois,

Duke University "Grafting original research in the colonial archives onto an extensive background in French Revolution scholarship, Jeremy Popkin has quickly established himself as one of the leading analysts of the Haitian Revolution. *You Are All Free* serves up a vivid and finely detailed investigation of a key turning point in Atlantic world history." - David Geggus, University of Florida "Brilliantly written and tightly argued, this book will compel readers to rethink the history of Haiti, the French Revolution, and the abolition of slavery." - Lynn Hunt, Eugen Weber Professor of Modern European History, University of California, Los Angeles "Popkin's gripping story, vivid characters and fine attention to primary sources make this an excellent book for students and teachers of history, as well as a wider, historically engaged public." - Sue Peabody, *H-France* "...impressively researched book..." -Chris Bongie, *H-LatAm* "...elegant and carefully researched..." -William S. Cormack, *Canadian Journal of History* "Jeremy D. Popkin's book is riveting." Sibylle Fischer, *American Historical Review* "The details of Popkin's brilliant account will surely remain authoritative..." -Paul Cheney, *Journal of Modern History* "This meticulously researched work covers the years 1792-94 in Saint-Domingue (Haiti) and France..." -Philippe R. Girard, *New West Indian Guide* "Popkin's brilliant new study of the events surrounding the emancipation of slaves in the French colony of Saint-Domingue in June 1793 is a masterpiece of micrological historiography." -Nick Nesbitt, *Journal of Interdisciplinary History* "This elegant and carefully researched new study suggests that it became apparent only after 20 June 1793 that the victory of black insurgents might be achieved in alliance with the French Republic." -William S. Cormack, *Canadian Journal of History* "This meticulously researched work covers the years 1792-1794 in Saint-Domingue (Haiti) and France, 1110St notably the tenure of the French commissioners Leger-Felicite Sonthonax and Etienne Polverel; the June 20, 1793 infighting in Cap-Francais that led to the destruction of the city; Sonthonax's August 1793 emancipation proclamation; and the Convention's February 1794 emancipation law that confirmed and expanded Sonthonax's proclamation." -Philippe R. Girard, *New West Indian Guide*

*You Are All Free* provides the first complete account of the dramatic events that led to the abolitions of slavery in the French Caribbean colony of Saint-Domingue in 1793 and in revolutionary France in 1794, and also to the destruction of Cap-Francais, the richest city in the French Caribbean, and to the first refugee crisis in the United States.
