# Burying My Waders And Other Stories

Synopsis

IN this collection of short stories, the author covers a wide range of subjects, including the importance of listening to dead men, which hat to wear in the rain, why fly fishing in March is like shooting arrows at a Welshman, the folly of drunken internet purchases made late at night, work/life balance, the dangers of fishing wild rivers in Scotland and of course, why to choose one fly over another. And in keeping with the best angling writing, most of the stories presented here arenâ™t really about fishing at all.Also available in paperbackPhilip is the author of the bestselling Complete Bad Angler, Year of the Spider and Cooking for Dads
